

Privacy Statement

This policy was last updated on May 5, 2014.

1. Kompas Books Ltd. takes serious commitment for the protection of our customers' confidential information. These personal details (name, email, all ordering and billing information) collected are provided to us voluntarily by the user when filling out our customer registration forms and we treat any information provided to us confidential.
2. We will also automatically receive and record your IP address, and store cookie information (No personal data recorded) for the internal analysis of the website operation and usage statistics in order to provide you with better service quality to all of our users. The collected information is also used to improve better quality experience to our users.
3. By using this site, customized features and customer registration forms, you hereby accept to have these personal details to be collected and stored in our database. We process personal information by our servers.
4. Kompas Books Ltd. will use a variety of security measures to protect user information you provide to us, we make no warranties of any kind.
5. Through this website you are able to link to other websites which are not under the control of Kompas Books Ltd. Please read the privacy policies of such platform, because we have no control over the nature, content and availability of those sites. This privacy policy does not apply to the external linked websites or web pages. Once you link to another site, you are subject to the privacy policy of the new site.
